## Frequently Asked Questions

### 1. How do I know my child will be safe at the Holiday Courses?

Our existing policies and procedures are updated and reviewed regularly. PSCL team members will complete all necessary training prior to the school holidays and current government guidelines will be adhered to.

Parents / Guardians can leave their children safe in the knowledge that PSCL Holiday Courses are a registered Ofsted provider. All of our settings are on the Voluntary part of the childcare register.

### 2. Can my children switch groups?

If the holiday courses week hasn't started and there is capacity, we will be able to let you switch groups. However, we expect holiday courses to be at full capacity and if this is the case we may not be able to allow your child to switch groups. If you would like your child to be with a friend you will need to liaise with them directly to try and ensure that your children are in the same group because we cannot share the booking details of other customers with you.

### 3. My child has medication that is kept in school can they access it?

No, we don't have access to any medication that is kept at your child's school.

Please bring any inhalers, epi pens etc with you and pass them over to the course manager upon arrival. The course manager will ask you to complete a medicines form and then will store the medication appropriately.

## Frequently Asked Questions

### **4. How will the sign in/out process work?**

The course manager will sign your child in and out electronically on their tablets that have provided by PSCL. Registration and sign-out at each venue will be completed at a clear drop off point which we only allow children beyond. There will be clear signs and markers to indicate where to drop off and collect your children. We ask that nobody other than the PSCL coaches and the children go past this point.

### **5. What does my child need to wear and bring?**

Our activities will be taking place outdoors unless the weather decides otherwise. Your child should wear / bring to wear:

Tracksuit, T shirt, shorts, trainers, rain-coat, healthy packed lunch, healthy snacks, plenty of still drink and / or a bottle that can be refilled, their manners and a smile!!

For this coming course we also recommend a warm outdoor coat, hats and gloves.

If they are in the football group they will need in addition to the above:  
Football boots, Shin pads, Trainers (for indoor activities)

## Frequently Asked Questions

### 5. Continued

Please do not bring:

Tablets, phones, electronic devices, nuts or food with nuts in, fizzy drinks, food to share, food that needs heating up

Our courses are **NUT FREE!!!** We may have children attending our courses who have severe nut allergies, for this reason we ask that children do not bring nuts or food with nuts with them to our courses.

### 6. What will happen if I arrive at the wrong time to collect my child?

If you know you are going to be late, please let the course manager know. The course managers phone number will be clearly visible when you arrive at the course on the first morning.

## Frequently Asked Questions

### **7. Will there be an end of week presentation?**

We love to recognise excellent effort and achievement at our holiday courses. There will be a presentation at the end of each week, they will be conducted by the groups lead coach in their own classroom or hall.

Unfortunately we won't be able to allow parents/carers to watch the presentations. Where possible we will take photographs and publish the winners on our social media pages along with a paragraph of why they deserve their accolades.

Please follow our Facebook page to see the end of week write ups for each award winner -

<https://www.facebook.com/PSCL10/>

### **8. Will there be an end of week dance performance at the St Thomas' Holiday Course**

Yes, we will hold a dance performance (weather permitting) on the MUGA court. The performance will start at around 3.15pm on the final day of the course. Parents and carers are able to view the performance but must remain outside the school premises.

We must insist that any photographs taken that include other children are not shared on social media.
