

PSCL Failing to Collect a Child Policy and Procedure

As a professional organisation we have a duty of care to every individual child. We are required to have a procedure in place in the event of a parent and/or carer failing to collect their child/children at the appointed time.

- If a child is not collected within a reasonable period of time after the agreed collection time, we will try calling the parents' contact numbers.
- If there is no response, we will try the emergency contact numbers.
- During this time, we will continue to safely look after the child.
- We will continue to try the parents' contact numbers and emergency numbers, but if we have heard nothing after one hour from the original agreed collection time, we will then inform the local authority duty social worker.
- We will charge an additional fee for late collection. For every 5 minutes that the parent/carers is late we will charge an additional £2. Where an after school child care group is available we will place the child in the childcare provision who will charge the parent/carers accordingly.
- If persistent late collection occurs, we will speak to the parent/carers and, working together with the school, suggest that the parent places their child in an after school childcare provision which is available until a later time. On holiday courses we will work with the parent/carers and suggest if a designated person can pick up the child instead. Failing that, we will suggest that the parent seeks other provision.
